DESCRIZIONE

L'eleganza incontra la potenza con Stinger. Questo gioiello marino, che ha ricevuto un parziale refitting nel 2024, fonde la raffinata bellezza con una velocità massima di oltre 45 nodi, offrendo un'esperienza unica. Con i suoi 24 metri di lunghezza, e con un design interno impeccabile e finiture di alta qualità, offre un ambiente raffinato ed accogliente. Le sue linee decise ma armoniose e la prua fendente rappresentano una perfetta combinazione di stile e potenza. Le sue ampie zone prendisole e il lussuoso pozzetto offrono giornate di sole e aria fresca in totale comfort. Gli interni sono un'elegante fusione di comfort e stile.

DESCRIPTION

Elegance meets power with Stinger. This marine jewel, which received a partial refit in 2024, blends refined beauty with top speed of over 45 knots, offering a unique experience. With its 24 meters in length, and with an impeccable interior design and high quality finishes, it offers a refined and welcoming environment. Strong but harmonious lines and a sharp bow represent a perfect combination of style and power. Its large sunbathing areas and luxurious cockpit offer days of sunshine and fresh air in total comfort. The interiors are an elegant fusion of comfort and style.
